

# Muhammad Waqar Aslam

Frontend Engineer | Crafting Scalable UIs with React, Angular & TypeScript

✉ waslamawan@gmail.com    ☎ +92 323 8056480    🔗 [linkedin.com/in/waqar-aslam](https://www.linkedin.com/in/waqar-aslam)

## Profile

Senior Front-End Engineer with 3+ years of experience in modern JavaScript, TypeScript, React, and Angular. Skilled in architecting scalable, component-based interfaces with a focus on performance, accessibility, and responsive design, and in leveraging AI to build intelligent, user-centric web applications.

## Professional Experience

<b>Nesso</b> <i>vo</i> , Frontend Engineer	10/2025 – Present Lahore
<ul style="list-style-type: none"><li>Architected and developed a full-scale claims management system for a car rental service with scalable frontend architecture, modular components, centralized state management, and role-based routing for multi-role workflows.</li><li>Created an AI-powered e-commerce application with a ChatGPT-like conversational interface that enables natural language product search and personalized recommendations.</li></ul>	
<b>TenX</b>	
Senior Software Engineer	07/2024 – 09/2024 Lahore
<ul style="list-style-type: none"><li>Built a performant React-based frontend for a global media agency, integrating cutting-edge APIs (audio separation, OCR, chat engines) using Axios for data fetching.</li><li>Engineered the full frontend architecture of an AI-driven cancer detection platform in Angular, integrating advanced visualization for medical imaging and optimizing client-side performance for large-scale data processing.</li></ul>	
Software Engineer	10/2022 – 06/2024 Lahore
<ul style="list-style-type: none"><li>Migrated a legacy Angular application to the latest Angular framework version, revamping the UI with a modern design system and enhancing performance, usability, and maintainability.</li><li>Integrated RESTful APIs and implemented JWT-based authentication, ensuring secure and reliable client-server communication.</li></ul>	
<b>PostEx</b> , Software Engineer	06/2022 – 09/2022 Lahore
Developed React components for PostEx’s core platforms.	

## Skills
